### Notes/Narratives

#### NARRATIVE

On 9-20-10, I had contact with "JT" Jason Ready in the Gilbert P.D. lobby. Jason provided me with the following information: He is part of a group called US BORDER GUARD. Jason frequents the southern Arizona border where he volunteers and assists law enforcement fight against "Narco Terrorism." Jason said he use to be the manager of Autozone and while he worked there he met a customer by the name of "Gary." Jason said he and Gary have talked and text messaged via cell phone. Jason said Gary is an acquaintance.

Recently, Gary contacted Jason and asked him about his activities on the border. Gary told Jason he was interested in some cocaine and possibly meth. Gary asked him if he could put some drugs to the side when he confiscates them and sell them to him. Gary also asked Jason if he would sell him automatic weapons found in the desert. Gary told Jason it would be very lucrative for him. Jason believes Gary found out about his border activity from his web site. The website info is [www.flicker.com/usborderguard](http://www.flicker.com/usborderguard)

The information provided for Gary was the phone number [REDACTED]. Through investigative means, I was able to link the phone number to Gary Barnett.

On 9-21-10, I talked to Jason again about this incident. Jason said he met with Gary in the evening on 9-20-10 at a location near Gilbert Rd and Warner Rd. Gary told Jason the specifics about the amount of drugs and guns he wanted to buy. Gary requested the following:

- 1oz of cocaine for himself
- 1 kilogram of cocaine which his friend in Page, AZ would distribute
- 10 Automatic rifles for himself and to sell in Alaska
- 200 ecstasy pills which he would distribute in Alaska

Gary told Jason he would be able to give him \$40,000 in Alaska which he could fly back to Arizona. Gary told Jason he was leaving Arizona on 9-21-10 to go to Alaska and he would return in three weeks.
